The Role & Key Responsibilities

The Role |

You will take on a varied and rewarding caseload with significant client exposure, autonomy, and responsibility from day one. Your clients will include developers, investors, lenders, landlords, tenants, and managing agents, spanning a wide spectrum of commercial property matters. This role is ideal for a technically skilled solicitor with a growth mindset, commercial awareness, and ambition to contribute to the firm's long-term success.

Key Responsibilities |

- Manage a broad caseload of commercial property matters including:
 - Freehold and leasehold acquisitions/disposals
 - Landlord and tenant matters
 - Commercial leases and licences
 - Development projects
- Deliver clear, commercially astute legal advice
- Build and maintain strong client relationships
- Support colleagues and contribute to a positive team dynamic
- Take an active role in business development, with the ability to generate new work or bring a developing client following
- Work independently and collaboratively with a proactive approach
- Network confidently and demonstrate strong commercial insight
